Dear Sponsor,

Every year Scotty's House provides intervention and treatment for hundreds of abused children and their non-offending family members. For a child, the courage to tell someone about the abuse they are enduring is a fleeting emotion and we must be ready to respond when that child finds the courage to tell. Working with law enforcement, Child Protective Services, prosecutors, mental health professionals, and medical staff, Scotty's House assists in the investigation, also providing medical and psychological treatment for the child and their family. We also support the child through the entire criminal justice process. These services are not cheap and Scotty's House must raise all of our funding every single year – yet the cost of not responding would be so much greater!

Every year the Board of Directors sponsors a Valentine's Dinner-Dance. This year our event is called "***Sparkle and Spurs by the Fireplace***" and will be held at Traditions Country Club on Sunday, February 12th 2012, from 6 to 10pm. This event is a critical part of our annual fundraising plan. We would like to ask for your help with this event.

Please consider the donation of an item or service that can be auctioned alone or bundled together with other items to help us raise the funds that are essential to provide the care to our youngest victims of violence. Your support of our event is very much appreciated. Thank you!

Sincerely,

Faye Lane
